

Monday, Sept 20 – Cherishing Deaf History

The video is few images in slideshow setting.

Image descriptions

1. There is a painting of a front side of a two-story building. The building has multiple windows and is a light orange color. There is a bright green front lawn with various plants and shrubberies outlining the building and steps leading to the front door.
2. There is a two-story brick building with multiple small windows, the building is centered in the image. There is snow covering the lawn and trees outlining the building, as well as the two small flights of steps leading to the front door.
3. A black and white photo of four Caucasian women standing side by side, centered in the image. They appear to be wearing office attire in an office setting.
4. A large room is filled with approximately fifty individuals sitting in plastic chairs facing the front of the room. There is one individual wearing a pink sweater who is sitting at the front facing the rest of the group. They are all wearing business casual attire. This appears to be a conference setting.
5. There is an office building covered with windows on all sides. There is a street sign in the front left side of the image that says "4th Ave & Quebec St.". There is a sunny blue sky with three fall-colored trees around the building.
6. A corner, outside upwards angle view of Wavefront Centre. The building is multiple stories high and is all windows. The yellow Wavefront Center sign is on the right lower side of the building.
