New Candidates Standing for Election:

Cynthia Johansen

I am grateful to be able to put my name forward for nomination to the Board of Directors for Wavefront Centre. I have been a resident of British Columbia my entire life, I am of European ancestry and currently live in North Vancouver on the unceded and traditional territory of the Coast Salish peoples. In my professional career, I lead the BC College of Nurses and Midwives, the largest health profession regulatory agency in western Canada.

I believe in the important and valuable work of Wavefront Centre. The clients, families and communities that benefit from the services and supports offered by Wavefront will be front and centre for me as a member of the Board of Directors. I fundamentally believe that every person should be afforded the right to access the services and supports they need freely communicate without barriers or discrimination. Wavefront Centre's role in our community is significant – it has the capacity and the mission to transform the lives of Deaf, DeafBlind, Hard of Hearing and Hearing individuals.

I am excited about the opportunity to join the Wavefront Centre at such an important and critical time. As a member of the Board of Directors, I commit to collaborating with my board member colleagues, supporting good governance practices and engaging in respectful and values-based dialogue that puts the present and future of Wavefront Centre ahead of any other competing agenda. I would be honoured to serve the membership and to help support the growth, development and vision of Wavefront Centre, its members, staff and contractors.
